

Thank you for supporting the William R. Bliss Cancer Center!

Mary Greeley Medical Center's Kentucky Derby event benefits the William R. Bliss Cancer Center

On Saturday, May 7, nearly 300 guests gathered in hats and other festive attire to support the William R. Bliss Cancer Center. The Kentucky Derby themed event featured silent and live auctions, a poker tournament, fun raffles and a live broadcast of the Kentucky Derby.

Thank you to everyone who helped make the 2011 Annual Benefit a great success.

We raised more than \$250,000 in funds and in-kind support and could not have done it without you!
