

# COVID-19 Information & Updates

12.04.2020

## **Vaccination Planning:**

- Please see the attached FAQ document for some initial information about the MGMC vaccination planning.
- We will continue to send out additional FAQs next week.
- You can also visit our COVID Q&A page (<https://www.mgmc.org/employees-staff/covid-19-update/faq/>) for vaccine and other COVID-19 information. You can also submit questions at this site as well!
- Dr. Fulton will be doing a Town Hall session related to the COVID-19 vaccines on December 14<sup>th</sup>, starting at 12pm.
  - Please register for this Town Hall session at this link:  
<https://attendee.gotowebinar.com/register/3136526654242547984>

## **MGMC Statistics**

- **COVID Patients:** 27 Currently Admitted
  - 6<sup>th</sup> Floor: 22 patients
  - ICCU: 3 patients (2 vents)
    - ICCU has 7/14 beds occupied

## **Telling Our Story from the Inside**

- Next week, a Des Moines Register reporter will be at MGMC
- Time will be spent hearing stories about our care of COVID-19 patients
- The reporter will write a series of these stories in the Register and will focus on 'people and moments'
- Our Community Relations team is helping to coordinate

## **State of Iowa Data:**

- The state's 14-day positivity rate is **16.6%**
- The state's 7-day positivity rate is 14.4%

## **Story County Data:**

- Our 14-day positivity rate is **9.8%**
- Our 7-day positivity rate is 9%

## **Iowa Hospitalization Data:**

- 1,000 patients are currently hospitalized with a COVID-19 infection statewide
  - Region 1 (MGMC & South Central IA – Includes DSM): 261 hospitalized (47 ICU)
  - Region 2 (North Central IA): 67 hospitalized (14 ICU)
  - Region 3 (North West IA): 179 hospitalized (31 ICU)
  - Region 4 (South West IA): 55 hospitalized (18 ICU)
  - Region 5 (South East IA – Includes Iowa City): 217 hospitalized (61 ICU)
  - Region 6 (North East IA – Includes Cedar Rapids/Waterloo): 221 hospitalized (38 ICU)

## **Story County Test Iowa Site:**

- Our site has collected over 6,930 tests

- Our overall positivity rate (since August 31<sup>st</sup>) is 11.2%
- November's positivity rate average was around 15%
- Everyone is eligible for testing through this clinic. Just follow the steps below!

# STORY COUNTY TEST IOWA CLINIC
